- CD-BOOK GRU Gruber, Michael, 1940-. The book of air and shadows : a novel. [Old Saybrook, Conn.] : Tantor Media, Inc., p2007.
Read by Stephen Hoye. ""Tap-tapping the keys and out come the words on this little screen, and who will read them I hardly know. I could be dead by the time anyone actually gets to read them, as dead as, say, Tolstoy. Or Shakespeare. Does it matter, when you read, if the person who wrote still lives?" These are the words of Jake Mishkin, whose seemingly innocent job as an intellectual property lawyer has put him at the center of a deadly conspiracy and a chase to find a priceless treasure involving William Shakespeare. As he awaits a killer---or killers---unknown, Jake writes an account of the events that led to this deadly endgame, a frantic chase that began when a fire in an antiquarian bookstore revealed the hiding place of letters containing a shocking secret, concealed for four hundred years. In a frantic race from New York to England and Switzerland, Jake finds himself matching wits with a shadowy figure who seems to anticipate his every move. What at first seems like a thrilling puzzle waiting to be deciphered soon turns into a dangerous game of cat-and-mouse, where no one---not family, not friends, not lovers---is to be trusted. Moving between twenty-first-century America and seventeenth-century England, The Book of Air and Shadows is a modern thriller that brilliantly re-creates William Shakespeare's life at the turn of the seventeenth century and combines an ingenious and intricately layered plot with a devastating portrait of a contemporary man on the brink of self-discovery...or self-destruction" -- from publisher's web site.
- CD-BOOK WRO Wroblewski, David. The story of Edgar Sawtelle : [a novel]. [S.l.] : Recorded Books, p2008.
Read by Richard Poe. This modern take on Hamlet is set in rural Wisconsin, where the young protagonist, Edgar Sawtelle, is born mute. He develops his own language, a mixture of sound and sign, and can communicate with everyone and everything, including the family's distinctive breed of dogs and an occasional ghost. When Edgar's father dies unexpectedly, Claude, the boy's paternal uncle, returns and implants himself into the family.

- FIC HART Hart, Lenore. Becky : the life and loves of Becky Thatcher. New York : St. Martin's Press, 2008, c2007.
Becky Thatcher wants to set the record straight. She was never the weeping ninny Mark Twain made her out to be in his famous novel. She knew Samuel Clemens before he was "Mark Twain", when he was a wide-eyed dreamer who never could get his facts straight. Yes, she was Tom's childhood sweetheart, but the true story of their love, and the dark secret that tore it apart, never made it into Twain's novel. Now married to Tom's cousin Sid Hopkins, Becky has children of her own to protect while the men of Missouri are off fighting their "un-Civil" War. But when tragedy strikes at home, Becky embarks on a phenomenal quest to find her husband and save her family -- a life journey that takes her from the Mississippi River's steamboats to Ozark rebel camps, from Nevada's silver mines to the gilded streets of San Francisco. Time and again, stubborn but levelheaded Becky must reconcile her independent spirit and thirst for adventure with the era's narrow notions of marriage and motherhood. As she seeks to find a compromise between fulfillment and security, she also grapples with ghosts of her past. Can she forgive herself, or be forgiven, for the lies she's told to the men she's loved? Will she ever forget the maddening, sweet-talking, irresponsible Tom Sawyer, the boy who stole her heart as a little girl?

And when she is old, and Huck and Tom and Twain only memories,
whose shadow will still lie beside her?.
