Harvey, Steve. Act like a lady, think like a man : what men really think about love, relationships, intimacy, and commitment. Expanded ed. New York : Amistad ;, 2014.
Everything you need to know about men and relationships is right here -- The mind-set of a man. What drives men -- Our love isn't like your love -- The three things every man needs: support, loyalty, and the cookie -- "We need to talk," and other words that make men run for cover -- Why men do what they do. First things first: he wants to sleep with you -- Sports fish vs. keepers: how men distinguish between the marrying types and the playthings -- Mama's boys -- Why men cheat -- The playbook: how to win the game. Men respect standards, get some -- The five questions every woman should ask before she gets in too deep -- The ninety-day rule: getting the respect you deserve -- If he's meeting the kids after you decide he's "the one," it's too late -- Strong, independent, and lonely, women -- How to get the ring -- From his woman to his wife: winning his heart for a lifetime. Managing the ex-files: how to keep your cool when his past arrives -- Making the first ninety days count -- Your career, his ambitions: how to make your dreams work together -- When the cookie crumbles: put the spice back into your relationship -- is it time to put a ring on it?: a 10=step test before your trip to the jeweler -- Avoiding a family feud: navigating his family -- Quick answers to the questions you've always wanted to ask. Steve Harvey has updated his classic with new advice and insights. Whether it's why women should enforce a "90-Day Probation Period" before they give their men sexual "benefits" - the way Ford motor company withholds medical and dental benefits until an employee has been on the job for 3 months - or explaining to women why men would rather "fix it" than talk about it, Steve Harvey's advice is always spot-on and laden with

warmth and humor. But behind the laughter is his sincere desire to help women understand men. With liberal use of his own adventures in love and courtship, *Act Like a Lady, Think Like a Man* is an honest, compelling, and realistic examination of how men think about love and sex and what women need to know so that they can set realistic expectations of the men in their life.

Marlena, the star of the equestrian act, is there because she's fallen in love with the wrong man, a handsome circus boss with a wide mean streak. And Rosie the elephant is there because she's the great gray hope of the circus, the new act that will be its salvation. But Rosie doesn't have an act, and can't even follow instructions. The bond that grows among this unlikely trio is one of love and trust, and ultimately is their only hope for survival.
- CD-BOOK HOS Hosseini, Khaled. A thousand splendid suns. New York : Simon & Schuster Audio, p2007.
Read by Atossa Leoni. "[An] epic of Afghanistan in turmoil. The story covers three decades of anti-Soviet jihad, civil war and Taliban tyranny through the lives of two women. Mariam is the scorned illegitimate daughter of a wealthy businessman, forced at age 15 into marrying the 40-year-old Rasheed, who grows increasingly brutal as she fails to produce a child. Eighteen later, Rasheed takes another wife, 14-year-old Laila, a smart and spirited girl whose only other options, after her parents are killed by rocket fire, are prostitution or starvation. Against a backdrop of unending war, Mariam and Laila become allies in an asymmetrical battle with Rasheed, whose violent misogyny ... is endorsed by custom and law."--from Publishers Weekly.

- CD-BOOK KIN King, Stephen, 1947-. Cell : [a novel]. New York : Simon & Schuster, p2006.
Read by Campbell Scott. Civilization doesn't end with a bang or a whimper, it ends with a call on a cell phone. On the afternoon of October 1 what came to be known as the Pulse (a signal sent though every operating cell phone) turns all cell phones users into something savage, murderous, unthinking and on a wanton rampage. To the people (like Maine cartoonist Clayton

Riddell) who avoided the technological attack, what really matters is surviving the aftermath. Before long a band of them ("normies" is how they think of themselves) have gathered on Gaiten Academy's grounds, where the headmaster and one remaining student have something awesome and terrifying to show them on the school's moonlit soccer field. Clearly there can be no escape. The only option is to take them on.

CD-BOOK KIN

King, Stephen, 1947-. The gunslinger. Rev. and expanded ed. New York : Penguin Audiobooks, p2003.
Read by George Guidall. Roland, the last gunslinger, is a solitary figure, perhaps accursed, who with a strange single-mindedness traverses an exhausted, almost timeless landscape of good and evil.

CD-BOOK LAR

Larsson, Stieg, 1954-2004. The girl with the dragon tattoo. Library ed. Westminster, Md. : Books on Tape, p2008.
Read by Simon Vance. The disappearance forty years ago of Harriet Vanger, a young scion of one of the wealthiest families in Sweden, gnaws at her octogenarian uncle, Henrik Vanger. He is determined to know the truth about what he believes was her murder. He hires crusading journalist Mikael Blomkvist, recently at the wrong end of a libel case, to get to the bottom of Harriet's disappearance. Lisbeth Salander, a twenty-four-year-old, pierced, tattooed genius hacker, possessed of the hard-earned wisdom of someone twice her age--and a terrifying capacity for ruthlessness--assists Blomkvist with the investigation. This unlikely team discovers a vein of nearly unfathomable iniquity running through the Vanger family, an astonishing corruption at the highest echelon of Swedish industrialism--and a surprising connection between themselves.--From publisher description.

- CD-BOOK LUT
Lutz, Lisa. The Spellman files. Abridged ed. New York : Simon & Schuster Audio, p2007.
Read by Ari Graynor. Part Nancy Drew, part Dirty Harry, Izzy walks an indistinguishable line between Spellman family member and Spellman employee. Duties include: completing assignments from the bosses, aka Mom and Dad (preferably without scrutiny); appeasing her chronically perfect lawyer brother (often under duress); setting an example for her fourteen-year-old sister, Rae (who's become addicted to "recreational surveillance"); and tracking down her uncle (who randomly disappears on benders dubbed "Lost Weekends"). But when Izzy's parents hire Rae to follow her (for the purpose of ascertaining the identity of Izzy's new boyfriend), Izzy snaps and decides that the only way she will ever be normal is if she gets out of the family business. But there's a hitch: she must take one last job before they'll let her go -- a fifteen-year-old, ice-cold missing person case.
- CD-BOOK MAR
Martin, George R. R. A feast for crows. Unabridged. New York, NY : Random House Audio, p2005.
Read by John Lee. After centuries of strife, the seven powers dividing the land have worn themselves down into a stalemate. The monstrous King Joffrey is dead, and the Northern rebels are scattered. Into this blasted peace, however, come the scavengers, outlaws and renegades, who have been waiting to pick over the remnants. Daring new plots and alliances are formed, and personalities new and old have emerged from the struggle to take up new positions. It is a time for nobles and commoners, soldiers and sorcerers, assassins and sages to come together and stake their fortunes ... and their lives. They must gather the skills, power, and magic needed to prevail.

CD-BOOK RAN

Rand, Ayn. Atlas shrugged. Ashland, Or. : Blackstone Audio, Inc., p2008.
Read by Scott Brick. This is the story of a man who said that he would stop the motor of the world, and did. Is he a destroyer or a liberator? Why does he have to fight his battle not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will learn the answers to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this remarkable book. Tremendous in scope, breathtaking in its suspense, "Atlas shrugged" is Ayn Rand's magnum opus, which launched an ideology and a movement. With the publication of this work in 1957, Rand gained an instant following and became a phenomenon. "Atlas shrugged" emerged as a premier moral apologia for Capitalism, a defense that had an electrifying effect on millions of readers (and now listeners) who have never heard Capitalism defended in other than technical terms.

The earth has been invaded by a species that take over the minds of their human hosts while leaving their bodies intact, and most of humanity has succumbed. But Melanie Stryder refuses to fade away. Wanderer, the invading "soul" who has been given Melanie's body, knew about the challenges of living inside a human: the overwhelming emotions, the too vivid memories. But there was one difficulty Wanderer didn't expect: the former tenant of her body refusing to relinquish possession of her mind. Melanie fills Wanderer's thoughts with visions of the man Melanie loves--Jared, a human who still lives in hiding. Unable to separate herself from her body's desires, Wanderer yearns for a man she's never met. As outside forces make Wanderer and Melanie unwilling allies, they set off to search for the man they both love.--From publisher description.

In full pursuit of the good life--boating, swimming, and regular barbecues with his good-natured buddies--he holds the vague conviction that a serious relationship with a woman would only cramp his style. That is, until Gabby Holland moves in next door. Despite his attempts to be neighborly, the appealing redhead seems to have a chip on her shoulder about him--and the presence of her longtime boyfriend doesn't help. Despite himself, Travis can't stop trying to ingratiate himself with his new neighbor, and his persistent efforts lead them both to the doorstep of a journey that neither could have foreseen.

 In a Southern nursing home, an 80-year-old man reads from his diary to his wife, suffering from Alzheimer's. It's the story of their teenage romance, followed by years of separation because he was from the wrong class, followed by her decision, on his return from World War II, to be her own woman and marry him. Set amid the austere beauty of coastal North Carolina in 1946, *The Notebook* begins with the story of Noah Calhoun, a rural Southerner returned home from World War II. Noah, thirty-one, is restoring a plantation home to its former glory, and he is haunted by images of the beautiful girl he met fourteen years earlier, a girl he loved like no other. Unable to find her, yet unwilling to forget the summer they spent together, Noah is content to live with only memories, until she unexpectedly returns to his town to see him once more. Allie Nelson, twenty-nine, is now engaged to another man, but realizes that the original passion she felt for Noah has not dimmed with the passage of time. Still, the obstacles that once ended their previous relationship remain, and the gulf between their worlds is too vast to ignore. With her impending marriage only weeks away, Allie is forced to confront her hopes and dreams for the future, a future that only she can shape. Like a puzzle within a puzzle, the story of Noah and Allie is just the beginning. As it unfolds, their tale miraculously becomes something different, with much higher stakes. The result is a deeply moving portrait of love itself, the tender moments and the fundamental changes that affect us all.

kills him and forces his crew to evacuate while thinking him dead, Mark finds himself stranded and completely alone with no way to even signal Earth that he's alive--and even if he could get word out, his supplies would be gone long before a rescue could arrive. Chances are, though, he won't have time to starve to death. The damaged machinery, unforgiving environment, or plain-old 'human error' are much more likely to kill him first. But Mark isn't ready to give up yet. Drawing on his ingenuity, his engineering skills--and a relentless, dogged refusal to quit--he steadfastly confronts one seemingly insurmountable obstacle after the next. Will his resourcefulness be enough to overcome the impossible odds against him?" --from publisher's web site.

For as long as she can remember, 21-year-old Alice has spent summers on Fire Island with her parents and older sister, Riley. Riley, 24, is a beach lifeguard, more boyish in both looks and spirit than sweet, feminine Alice. An island neighbor and Riley's best friend, Paul,

whose father is dead and mother mostly absent, returns to the island after two years away and must decide whether to sell his family's house there. More importantly, he and Alice finally act on an attraction they've felt for years, but they keep their frequent nuzzling quiet so as not to hurt Riley. Riley, meanwhile, has her own problems that could ruin Alice and Paul's clandestine romance and just about everything else. Brashares's YA roots are on display: the girls and Paul act like high school kids (Riley threatens to move out of the house unless everyone butts out; Paul and Alice are stricken with the most saccharine of puppy love), and anything below the surface is left untouched.
